- **Out of Network** Point-of-Service (POS) coverage is available only for members whose permanent residence is outside the State of Minnesota and outside the service areas of the health plans participating in Advantage. This category includes employees temporarily residing outside Minnesota on temporary assignment or paid leave [including sabbatical leaves] and all dependent children, including college students, and spouses living out of area.
- **Employees who live and work out-of-area.** Employees whose Permanent Residence and principal work location are outside the State of Minnesota and the service area of the PEIP Advantage Health Plan may receive Cost Level 2 benefits in their area of Permanent Residence if they obtain services from the PPO of the Claims Administrator with whom they are enrolled. If a PPO provider is not available in their area, they may receive Cost Level 2 benefits from any licensed provider in their area. If PPO provider is available but not used, coverage will be limited to the point-of-service benefits (\$350/\$700 deductible, 30% coinsurance).
