Blue Cross Blue Shield of Minnesota

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage Period: Beginning on or after 01/01/2021
 Coverage for: Single and family | Plan Type: Tiered

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bluecrossmnonline.com or call 1-866-873-5943. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copay](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-873-5943 to request a copy.

- **Out of Network** Point-of-Service (POS) coverage is available only for members whose permanent residence is outside the State of Minnesota and outside the service areas of the health plans participating in Advantage. This category includes employees temporarily residing outside Minnesota on temporary assignment or paid leave [including sabbatical leaves] and all dependent children, including college students, and spouses living out of area.
- **Employees who live and work out-of-area.** Employees whose Permanent Residence and principal work location are outside the State of Minnesota and the service area of the PEIP Advantage Health Plan may receive Cost Level 2 benefits in the area of their Permanent Residence if they obtain services from the PPO of the Claims Administrator with whom they are enrolled. If a PPO provider is not available in their area, they may receive Cost Level 2 benefits from any licensed provider in their area. If a PPO provider is available but not used, coverage will be limited to the point-of-service benefits (\$350 Single/\$700 Family deductible, 30% coinsurance).

Important Questions	Answers	Why this Matters:
What is the overall deductible ?	<p>\$1,500 medical per individual network</p> <p>\$3,000 medical per family network</p> <p>\$350 medical per individual out-of-network</p> <p>\$700 medical per family out-of-network</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.</p> <p>This plan has an embedded deductible. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
Are there services covered before you meet your deductible ?	<p>Yes. Well-child care, prenatal care and network preventive care services are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copay or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits.</p>
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.

What is the out-of-pocket limit for this plan?	<p>\$3,600 medical per individual network and out-of-network</p> <p>\$7,200 medical per family network and out-of-network</p> <p>\$1,050 drugs per individual network</p> <p>\$2,100 drugs per family network</p>	The out-of-pocket limit is the most you could pay in a year for covered services. This plan has an embedded out-of-pocket limit . If you have other family members on this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use an in-network provider?	Yes. See http://www.bluecrossmn.com/segip or call 1-800-262-0819 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as laboratory work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes.	The plan will pay some or all of the costs to see a specialist for covered services but only if you have the plan's permission before you see the specialist .

All [copay](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
